

STOP AOB ABUSE

AOB Lawsuits Increase for 8th Year

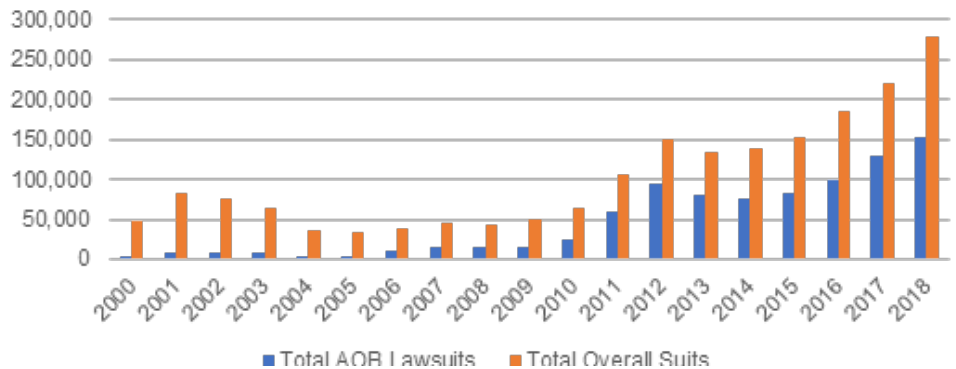

A New Florida Justice Reform Institute Report demonstrates how AOB abuse continues to result in significant costs for consumers, all for the benefit of a few attorneys and repair vendors.

Now is the time for Legislators to take a stand and stop this abuse from hurting hard-working Floridians.

DID YOU KNOW?

A Few Attorneys Account for the Majority of Auto Glass AOB Cases

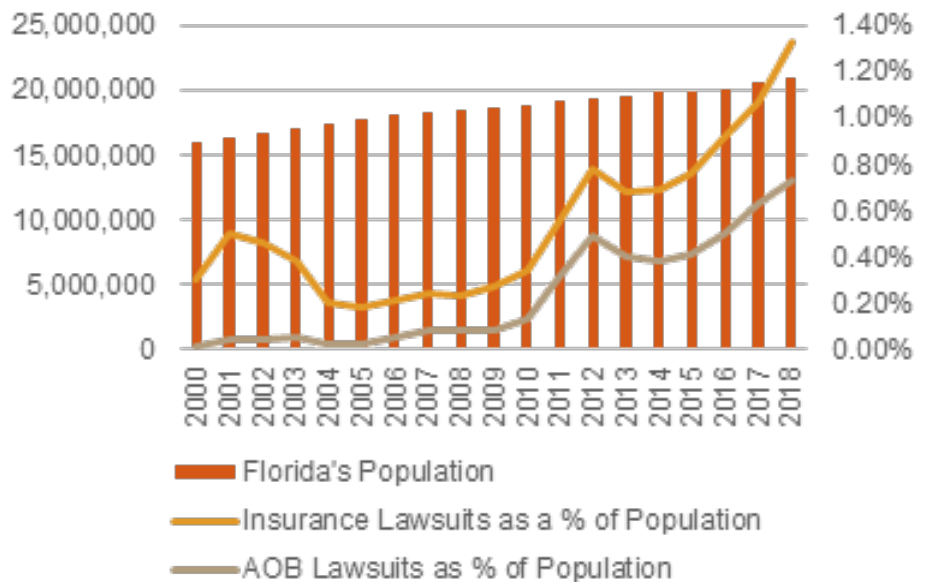

50% of all auto glass AOB lawsuits come from just 4 law firms—representing only 6 attorneys.

85% of all auto glass AOB cases come from just 9 law firms—representing just 14 attorneys.

Litigation Growth Highlights Problems in Florida's Legal System

Florida is living up to its national reputation as one of the worst tort systems in the country, as litigation growth is much steeper than population growth. Looking specifically at AOB, what used to amount to little more than a few one-hundredths of a percentage point as a fraction of Florida's population is now nearing a full three-quarters of a percent.
